

Date: 15th June 2018

Matter was discussed in full Commission on 15/06/2018. Report since received from SP Malda forwarding the enquiry report of DySP (D & T) Malda. According to the report "Death was due to effect of disease condition of organ as described (in PM report) a natural cause" as revealed in Post Mortem report. In view of the fact that death was due to natural causes the Commission decided to file the matter. The Commission also felt that the report published by EK-Din was fallacious in nature.

Ld Registrar to upload the matter in Website of WBHRC.
