RECOMMENDATION NO. 5

DATE OF RECOMMENDATION/OBSERVATION: 10.06.2014

FILE NO. 25/WBHRC/COM/13-14

Matter relates to UTP Satya Narayan Konar aged about 40 years of village Malkita, P.O. Balgona, P.S. and district Burdwan. It is alleged that Konar committed suicide on 21.04.2013 in the Burdwan District Correctional Home. Reason so far ascertained was the rejection of bail prayer by the Hon'ble High Court. So he was depressed. The Commission has gone through the report submitted by Inspector General of Correctional Home, West Bengal and made the following observations on 10.06.2014.

“Perused the file. We do not find any foul play. But there should not be any water pipe running overhead across a number of latrines in Correctional Home to avoid such recurrence of such incidence.”

The above observation is forwarded to the Additional Chief Secretary and Home Secretary, Govt. of West Bengal and also ADG, Correctional Services on 27.10.2014 for taking necessary action.
